

NO Littering

Three Low-Cost Spay or Neuter Opportunities Available

1.

If you live in the city limits of Redding in the 96001 or 96002 zip codes, you are eligible to spay or neuter your cats for just \$10 for male cats or \$20 for female cats.* Cat owners must bring in a picture ID with address and REU electric bill at the time of appointment. Call 241-1658 for an appointment. This opportunity was made possible by a grant from PetSmart Charities®. Optional low cost testing and vaccines are also available.

2.

If you live anywhere in Shasta County and have an unaltered dog or cat, you are eligible to spay or neuter your pet for just \$25. Pay the fee when you schedule your appointment and a grant from Shasta Animal Welfare Foundation Low Cost Spay/Neuter Fund will take care of the rest.* Optional vaccinations are available for a low cost, too.

3.

If feral cats are visiting your yard, Haven Humane Society offers a great solution for you. For a refundable deposit, you can take home our trap, trap the feral cat and bring it to the clinic to be spayed or neutered, tested, vaccinated, and given flea preventative for just \$25 per cat. This service is available the third Sunday of each month (except December). Drop off time is between 8:00 and 10:00 a.m., and pick up time is between 1:00 and 2:00 p.m. the same day. No appointment necessary.

*While funds are available.
